

Photography and Video Imaging Consent

In order for Hawth Gymnastics to comply with data protection regulations, it is necessary to obtain your written consent to use your image or words for the purpose of promoting the club. You should only agree to Hawth Gymnastics using your photograph, film or words if you feel completely happy to do so. You should not sign this consent form if you feel under any pressure or obligation to do so.

How we may use your photograph, film and words:

Hawth Gymnastics may use your photograph, film and words for the purposes of promotion, education and development of the club/sport e.g. to publicise events, in newspaper articles, magazines and other media such as websites, information leaflets, electronic newsletters and presentations.

What if I change my mind?

Once an article or image is published and in circulation (e.g. newsletters, website images) it can be copied and used by others. However, you can contact Hawth Gymnastics at any point and ask us not to use your image or words for any new purposes. We will comply with this request and will also do our best to stop others using your image or words, although we cannot guarantee this. Please note that we will be unable to remove images that have already been used in publications or publicity material.

How long will the club retain my images?

If you do not withdraw your consent, we will retain any images for three years. After three years, images will be reviewed and deleted unless they are considered to be of historical importance to the club and are retained as part of the club's archive.
